

## Important notice regarding Insurance for: **Nepenthe Association**

The purpose of this document is to:

1. Inform you regarding California law affecting insurance coverage for Nepenthe Association as well as you as an Owner.
2. **Notify you that should a covered loss occur to your home you may be personally responsible for the first \$25,000. This amount is in relationship to the deductible on the Association's Master policy.**
3. Provide you with information that will assist you in securing personal insurance. Doing so can lessen the financial impact you will face for damage to your home [See Exhibit 1].
4. Address basic coverage and exclusion provisions common in most insurance contracts.
5. Address loss prevention practices.
6. Provide information to assist you in ordering evidence of insurance for personal or mortgage company use.
7. Provide instructions on claim procedures and protocol.

### 1. Application Limits of Association's Insurance Coverage

- 1.1. Applies to Association and unit owner policies and supersedes anything to the contrary written in the CC&Rs (Covenants Conditions and Restrictions).
  - 1.2. The Association's policy is a "Walls-Out" policy: Any fixtures, improvements, or betterments installed by a unit owner, or floor coverings, cabinets, heating and plumbing fixtures, paint, wall coverings, windows, and any item permanently attached to a unit are Excluded.
  - 1.3. When a covered cause of loss occurs the Association's policy of property insurance shall provide **primary coverage**. **The unit owner's insurance policy may be primary for the portion of the loss equal to the deductible amount on the Association's policy.**
  - 1.4. If two or more owners suffer a loss in a single event, they may each be responsible for payment of a portion of the Association's deductible based on the percentage of loss they each suffered.
  - 1.5. If an owner does not pay his/her share of the loss within 30 days after substantial completion, the Association may levy an assessment against the owner and place a lien on the unit.
  - 1.6. If the unit owner has no insurance for a covered cause of loss, he/she may be personally responsible for the loss to the amount of the Association's policy deductible.
0. **Nepenthe Association has a property deductible of \$25,000 for each occurrence. Payment for the first \$25,000 of damage may become your responsibility when a covered cause of loss affecting your unit occurs. Payment of the deductible can and should be insured by your insurance policy. Consult your insurance advisor regarding your coverage.**

IMPORTANT: The information contained herein is intended to be used solely for informational reference and as a general guideline. It confers no rights nor affirmatively or negatively amends, extends or alters coverage afforded by the policies referred to.

### 3. Personal Insurance:

Homeowners should maintain personal insurance coverage. We recommend a comprehensive review of your insurance with your licensed insurance advisor. **Exhibit 1** of this document provides a checklist of items that should be reviewed at that time.

### 4. Basic coverage and exclusion provisions in the Association's Master Insurance policy:

**4.1** The Association's policy includes "special form" property coverage for perils such as fire, lightning, windstorm, hail, explosion, riot, aircraft and vehicle damage, smoke, vandalism, falling objects, weight of ice and snow, collapse, sudden and accidental discharge of water or overflow from plumbing or appliances, and frozen pipes inside a unit.

**4.2** Common exclusions: Many insurance companies will not cover water damage resulting from a frozen pipe if adequate heating is not maintained in the unit. Therefore, it is imperative that heat is maintained or that pipes are drained when a unit is unoccupied for an extended period. If your home has fire protection provided by a residential sprinkler system, the insurance policy can deny a claim if the sprinkler system is not active at the time a fire occurs. Notify the insurance company any time impairment occurs or for maintenance that lasts over 48 hours.

**4.2.1** No coverage is provided for: Earth movement, landslide, wear and tear or deterioration. This can include items such as a sprinkling system or other water lines located outside the physical building structure. Damage by insects or animals, mold/fungus, removal of asbestos, settling or cracking of foundations, walls or pipes may also be excluded. **There is no coverage for damage caused by continuous or repeated seepage or leakage of water occurring over a period, usually defined as 14 days. This includes appliances, plumbing and leaking around shower, bathtub, toilet or sink.** The insurance contract contains full details on coverage, limitations, and exclusions. Consult with your advisor regarding unique perils that may impact your property.

### 0. Loss Prevention:

To reduce the likelihood of damage to your home and possible damage to a neighbor's home the following are a few "loss prevention" measures that should be followed:

When your home will be **unoccupied** for more than a few days:

- Turn off the water to the inside of your home and drain the lines by opening faucets.
- Turn off your water heater or turn it to the "vacation" setting.
- Leave the heat on in the winter to avoid freezing or air-conditioning on in the summer to avoid melting, warping, etc.

#### Daily considerations:

- V Washing machine water supply should be turned off after each use.
- V Have clothes dryer vents checked and cleaned on an annual basis. Always remove lint from the filter after each use.
- V Keep smoke alarms in good working condition.
- V Make certain that downspouts are moving water away from the structure rather than toward it.
- V Watch for sprinkler heads or water lines in the landscape area that are broken or not functioning properly. Repair or correction should immediately be brought to the attention of the General Manager or the Board President.
- V Consult with a professional when unable to remedy unusual persistent odor, or when events occur that seem to suggest appliances or other home equipment are near the end of their lifespan.
- V Have a trusted neighbor or family member periodically check your home while you are away.

IMPORTANT: The information contained herein is intended to be used solely for informational reference and as a general guideline. It confers no rights nor affirmatively or negatively amends, extends or alters coverage afforded by the policies referred to.

**6. Information to assist you ordering evidence of insurance:**

6.1 To obtain a certificate of insurance, please visit [www.eoidirect.com](http://www.eoidirect.com). After creating an account, click on "Evidence of Insurance" to search for the association and make the order. Those without internet access may also contact the help desk at (877) 456-3643 to make their order over the phone with a representative, available from 7AM-6PM (MT), Monday to Friday.

**7. Claim protocol:**

7.1 **Claims** for a covered cause of loss, within the following amounts, should be handled as follows:

7.2. **Interior unit damage** (Interior fixtures, flooring, wall/ceiling coverings, cabinets, built-in appliances, upgrades, additions or alterations) are the sole responsibility of the unit owner. The master policy does not provide coverage for the interior of your unit.

7.3 **\$0 to \$25,000 may be the unit owner's sole responsibility.** Cost of cleanup and repair would be paid out of pocket or from personal insurance coverage. Claims under \$25,000 will not be filed against the Association policy unless circumstance dictates otherwise.

7.4 Claims over \$25,000 should be submitted to the Association's policy.

7.5 When a loss Occurs:

7.5.1 Take action to prevent further damage to your home. For example, it may be necessary to call an emergency restoration company to start water extraction if water damage has occurred inside your home. The next step contact:

7.5.2 Contact your own insurance company and report the damage to your home.

7.5.3 Contact the General Manager regarding the damage.

7.5.4 If individuals above are not available contact a member of our staff 916.791.1091. Please note that we will only submit claims to the insurance company after approval from the Board or the General Manager has been received. Only in rare situations will we do otherwise.

**A loss that involves your personal property, unit interior, extra living expenses, personal liability, loss assessment, etc. should be submitted to your insurance carrier. Neither the Association nor the Association's insurer is responsible for these items.**

Payment for claims made on the Association's Insurance policy will be payable to the Association not to an individual homeowner.

Please note that the coverage and procedures outlined in this letter apply to your current insurance program, prepared by Russo Insurance Agency. If the association changes agents we recommended that these procedures be reevaluated.

We recommend that you take time to review this information and audit your insurance coverage for compliance. We **strongly** suggest reviewing these documents with your insurance representative to facilitate securing the appropriate insurance coverage for your specific situation.

If you feel your current insurance coverage needs to be reviewed, you may contact our office and ask for a member of our personal insurance team to assist you.

When corresponding with us, please reference **Nepenthe Association** as the community you live in.

Exhibit 1. – Personal insurance checklist

1.	<b>Policy type - HO-6 form</b> (commonly referred to as a condominium owners policy). Not an HO-3 homeowner policy or an HO-4 renter's policy.
2.	<b>Coverage A (Dwelling coverage)</b> Consult with your insurance advisor. The association does not provide coverage for the interior of your unit.
3.	<b>Personal Property</b> Coverage - Consult with your insurance advisor.
4.	<b>Personal Liability</b> - Consult with your personal insurance advisor. You may want to inquire regarding umbrella liability coverage.
5.	<b>Loss of Use Coverage &amp; Additional Living Expenses</b> (In the event your unit is uninhabitable due to a covered loss).
6.	<b>Loss Assessment</b> – Consider a minimum of \$25,000 or higher.
7.	<b>Loss of Rents</b> – Is your unit a rental? If so, this coverage should be purchased. Note that form numbers will change, i.e., DP-6 rather than HO-6. Form # and name varies by company.
8.	Any other riders such as <b>Valuable Articles</b> , i.e., jewelry, art, collectibles, etc. Consult your insurance advisor.
9.	<b>Other Endorsements</b> your insurance advisor may recommend.
10.	<b>Earthquake</b> coverage for your dwelling & contents, earthquake loss assessment, etc. <b>The Association has EARTHQUAKE INSURANCE for the building/structure only.</b> . <a href="http://CommunityQuake.com">CommunityQuake.com</a> is a resource that we provide for those who may have difficulty securing EQ coverage on their home.
11.	<b>Flood Insurance</b> to cover against outside water penetrating the building envelope. <b>FLOOD INSURANCE HAS BEEN OBTAINED BY THE ASSOCIATION.</b>
12.	<b>Inventory</b> – When a loss occurs you are responsible for proving your loss. For example, if you have a television destroyed in a fire you will need to show documentation proving the kind and quality. You won't get a 60" inch big screen unless you have evidence the TV was 60" not 26". The same applies with the types of finishes in your home. You won't be given granite if the home was originally built with laminate countertops and you have no proof of an upgrade. Consult with your personal insurance advisor for recommendations on handling this based on your personal situation.

**Please note that we strongly advise the deductible amount on your personal policy be low enough that you can comfortably pay this should a covered loss occur. Deductible amounts for an HO6 policy can be as low as \$100, the most common being \$250-\$500. A higher deductible will lower your insurance cost but it also increases your out-of-pocket expense when a claim occurs. Take time now and on an annual basis to review your personal insurance with a trusted insurance advisor. He/she will be able to provide counsel concerning what insurance coverage and deductible amounts are right for you.**
