**Bingo - Bonnie** reported that Joan Roberts will determine if she can provide the equipment and call the game after November.

**Veteran's Day- Gerry** has had very little response to the call for veterans and their spouses so while the event is still on, it will be a reception with cake and flag decor. It is November 11, 2022 from 2:00-4:00PM.

**Homeowner's Forum- Marcy** reported that the forum had about 35-40 attendees.

**Halloween - Marcy** stated that the candy donations are exceeding the space in the bin, so, very good. There will be bagging of the candy on Saturday, October 15th, after the coffee. **Nancy** found four sponsors for the hayride at \$100.00 per sponsorship. **Marcy** will be making signs to acknowledge the sponsors and display them during the hayride. There is a flyer that was in the newsletter and she will request that it be included in Bettsi's Friday emails. **Marcy** needs volunteers to decorate the exterior of the clubhouse, go on the hayride(s), make caution and NO PARKING signs for the hayride route (Commons south, Dunbarton north) people to help with the fun house and mailbox drop offs to homes along the hayride route.

**Holiday Open House** help with catering will be provided by Duckie Peterson. The fare will be passed hors d'oeuvres and drinks with a \$10.00/pp charge.

**New York New Year's Eve** party will be discussed closer to the events.

### **New Business**
