Project Clarifications

- *Hidden damages are not included in this bid.*
- *Material costs are subject to change based on pricing at the time of purchase.*
- *Any changes made to pricing will be negotiated before the contract is executed.*
- *Abatement, such as but not limited to lead, asbestos and organic growth, are not included in this bid.*
- *The contractor shall use proper care and caution to minimize damages to existing landscaping adjacent to the work area. The owner understands that some landscape damage may occur, as this is inherent to this type of work.*
- *All trellis and plants growing on or attached to fence, must be removed by others before work commences.*
- *Engineering, plans, permits, processing and building code upgrades are not included in this bid but are a reimburseable cost, if necessary.*

- All new materials will be primer painted and have one coat of Kelly Moore Acryshield 1245 applied to both sides of fence, posts and fence rails.
- All materials will be primed and painted prior to installation, to insure full coverage between two nailed wood components. Fence, such as nail heads, will be touched up after fence installation.
- Fence boards will be delivered 1-2 weeks prior to installation to allow wet materials to cure to prevent shrinkage and allow the primer and paint to adhere properly.
- Gate replacement and repairs include new, wood framing, fence boards, kick board, new latch hardware and new hinges. Existing metal frame and deadbolts will be re-used, unless otherwise specified.
