

second floor

first floor

If you like to live, entertain and decorate with a flair, the dramatically designed 1384 should be your home. Plush shag carpet stretches over the long living and dining area, separated by an open-hearth fireplace. The beam ceiling spans the living area to a large balcony bedroom. The upper floor has a second bedroom, two full baths and a laundry area.

Totally modern electric heating, air conditioning and appliances by General Electric.
