

2000

This floor plan has been designed for convenient, one-story living with a garden atmosphere. The private patio is a flowery, sun-filled courtyard just outside your bedroom and your kitchen. Adjoining the master bedroom is a private bath and double vanity area flanked by wardrobe closets. The long living and dining room features a brick fireplace. The second bedroom or den also has its own private bath.

Totally modern electric heating, air conditioning and appliances by General  Electric.

Floor plan details and features subject to change without notice. Patio size may vary with location.
