

# 4400

The combined ease and elegance of the 4400 Plan offers any family the space to live and entertain in understated luxury. Entry into the large living room and dining area is preceded by a separate foyer featuring closet space and powder room. There is a den with its own wet bar that has direct access to the private patio. The kitchen features a large pantry and dinette area convenient to the garage. Upstairs, double louvered doors fold back to reveal the master bedroom suite, which includes its own fireplace, closeted dressing room, double vanity, and private bath. The second bedroom also has its own private bath.
