Work Description: Crews will follow the outlined work scope based on the assessment of each tree. The scope of work will vary depending on the specific needs of each tree and may include one or more of the following options:

Clearance Prune:

- Building, lighting and security camera clearance
- Raising all tree skirts to appropriate height for walkway, driveway, parking lot and other needed clearance

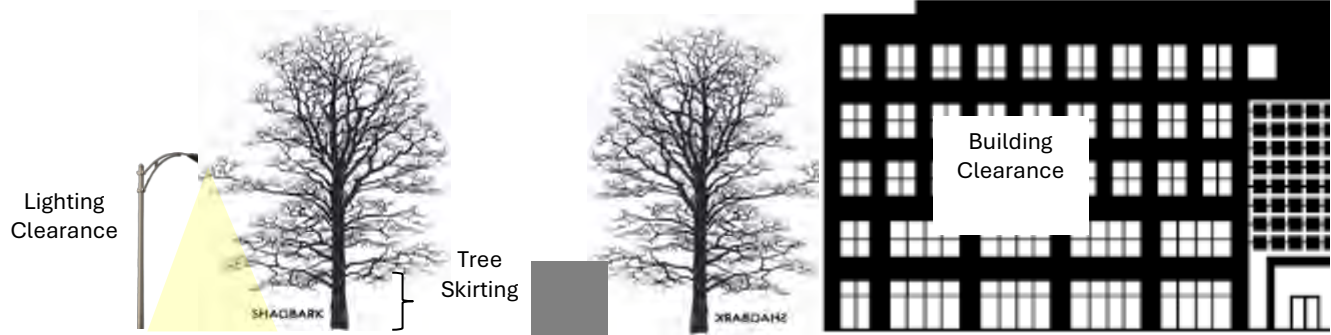

Maintenance Prune:

- Building, lighting and security camera clearance
- Raising all tree skirts to appropriate height for walkway, driveway, parking lot and other needed clearance
- Remove broken/deadwood and/or obvious hazards in trees

Structural Pruning:

- Pruning to establish a strong arrangement or system of scaffold branches

The tree list below corresponds with the reference photos, categorized by zone and number.
